CoverSafe, Inc. is a distributor of Cover-Pools automatic pool cover products. Cover-Pools Incorporated ("Cover-Pools") warrants all Save-T automatic cover systems as a whole, including all of its components and parts when purchased by a retail buyer as follows:

LIFETIME WARRANTY ON MECHANISM: Dealer warrants the Save-T pool cover mechanism to be free from defects in material and workmanship, or failure to perform, under normal use and service for life to the original purchaser from the completion of installation. The warranty is transferable to subsequent owners for twenty (20) years from original purchase date. Subsequent owners are required to provide notice to Cover-Pools by registering their name and address within thirty (30) days of purchase date. This warranty does not cover any associated labor costs.

LIMITED WARRANTY ON QUAD-CORE LAMINATED FABRIC AND PRO-COAT COATED FABRIC: Cover-Pools warrants all fabric used in a Cover-Pools system to be free of defects under normal use and service for seven (7) years for Quad-Core laminated fabric or (7) years for Pro-Coat coated fabric from the date of installation (the "Warranty Period") as specifically provided hereinafter. In the first two (2) years of the warranty period, Cover-Pools will arrange for the repair or replacement of the defective cover fabric without charge for materials. During years three (3) through seven (7) for Quad-Core or years three (3) through five (7) for Pro-Coat of the Warranty Period, the costs of repair or replacement will be prorated at 1/84 for Quad-Core or 1/84 for Pro-Coat for each remaining month of the warranty, not including any costs for labor. Cover-Pools will not be responsible for any charges associated with or resulting from labor costs. Cover-Pools warrants that during the Warranty Period the cover fabric will not shrink or deteriorate as to its imperviousness to water to such an extent that water could penetrate the cover in an amount that makes the cover no longer reasonably operable.

1. Motors, controllers and associated components are warranted for three (3) years.
2. Extrusions and stainless steel cables are warranted for seven (7) years; any powder coated or custom coloring on extrusions are warranted against flaking due to faulty manufacturing for three (3) years.

2. The occurrence of pinholes.
3. Fading of the vinyl and/or webbing.

5. Use of non-factory authorized parts or accessories in conjunction with the cover(s).

General Terms & Conditions of Warranty: The above-stated warranties are transferable but do not apply to products that have been moved from their original installation sites. The liability of Cover-Pools shall not exceed the replacement of the defective product or its parts, and does not include transportation costs and/or costs for labor to service or repair the defective product. Cover-Pools is not responsible for charges or delays incurred when a servicer is unable to perform service due to lock outs, animals, intolerable pool or spa water temperature when entry into the pool is required for service, service refusals, etc. No reimbursements will be made for loss and/or usage of water, fuel or other resources resulting from product defects. A third-party service provider may charge the end-user/customer for parts and/or labor required to resolve any issue not covered by warranty, such as improper installation; Cover-Pools is not responsible for these charges.

This is the only warranty given by Cover-Pools. No one is authorized to make any other warranties on behalf of Cover-Pools. IMPLIED WARRANTIES, INCLUDING THE IMPLIED WARRANTY OF MERCHANTABILITY AND THE IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED TO THE EXPRESS WARRANTIES LISTED ABOVE.
